Dear Ms. Wolter:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 11-567 and proposed by the Indiana Department of Local Government Finance ("DLGF"). The proposed rule amends 50 IAC 3.3-2 to: clarify the definition of "annually assessed mobile home," add "manufactured home" to the definition of "mobile home," define "permanent foundation," and clarify the definition of "real property mobile home."

The economic impact statement prepared by the DLGF indicates that the proposed rule would impose no additional costs on small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.

Regards,

Eric P. Shields
